

The True Origin of Putting Up Trees

Putting Up Trees during the Winter seems normal if you've been doing it your whole life. I used to take part in this also until I learned the Truth about where this practice of Putting Up Trees really comes from. Nobody told me growing up, although I went to Sunday Church quite often. The sad reality is that many Churches do not teach people how the Bible is 100% against this and it is considered by the Heavenly Father Himself to be a heathen custom. In **Jeremiah 10:2-4** it is made very clear that putting up trees in this manner is:

- 1) A Heathen Custom
- 2) Vain
- 3) Something We Should Not Do or Learn or Teach

Our Creator is not honored by taking heathen practices from demon worship and trying to use them to worship Him. Good and evil do not mix.

We are only Saved by the Shed Blood of Christ

However, just because we are saved by His grace and mercy does not give us a license to sin. We are supposed to bear good fruit and walk in righteousness. It is not righteous to disobey the Scriptures by taking part in setting up carved images or idols or putting up trees.

Don't take part in what the Scriptures show the Heavenly Father Himself calls Heathen. Don't be deceived along with the masses into sinning this way.

The true Birth Date of Christ has been determined by Biblical Chronologists to take place in either the Spring or the Fall, but the date in the Winter that many observe on 12/25 is actually a pagan day with pagan origins and should not be a day Christians observe in any regards.

What Do Scriptures Say?

Exodus 20:4 Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth:

This is the Second out of the Ten Commandments written in Stone by our Creator Himself. If you are unsure what an idol is, look at these verses here:

Psalms 135:15-18 The idols of the heathen are silver and gold, the work of men's hands. They have mouths, but they speak not; eyes have they, but they see not; they have ears, but they hear not; neither is there any breath in their mouths. They that make them are like unto them: so is every one that trusteth in them.

After reading this part of the Bible, it is clear that we should not be setting up Statues, Images, or making 3-D things that are imitating something that normally is alive, yet what we have made is in fact lifeless.

If it has a mouth, but it can't speak, eyes, but it can't really see, ears, but it can't really hear, and it has no real breath in itself, it may be that it is actually considered an idol according to the Scriptures. In our society, statues, giant turkeys (and other figures) that light up, manger scenes, teddy bears, action figures, snow men, are all just another name for lifeless things that are imitating things that normally have life. These things seem to be wrong and against the Scriptures after examining them.

Things We Should Not Do

Carving Pumpkins with Eyes
Nose and Mouth

Setting up Giant Turkeys

Setting up Manger Scenes With
Statues of People and Animals

Setting up any other 3-D replicas
of anything that normally
breathes and has breath of life.

5) Making "Snow Men" (this is like a Carved Image) which have mouths, eyes, and ears, yet can't speak, can't see, can't hear, and have no real breath of life.

6) Buying or encouraging
Children to play with Teddy
Bears, Action Figures, Dolls or
similar Images (throw them all
out! No idolls!)

Children should **not** be
taught idolatry by teaching
them to grab some lifeless
stuffed cloth when they're
scared. They need to be taught
to pray and trust in our
Creator, who can really protect
them in times of trouble.
