

3 days and 3 nights ? (impalement 6th DOW)

2 disciples were joined by Yahushua about noon the 1st DOW Luke 24:13-29

N-1 = 1st night time

D-1 = 1st day time

DOW = Day Of Week

In this scenario, Luke 24:20-21 agrees with Yahushua's impalement at 9am on the 6th DOW but, you cannot find the 3 nights of Mat 12:40 nor is the resurrection AFTER the 3 days of Mark 8:31.

3 days and 3 nights ? (impalement 4th DOW)

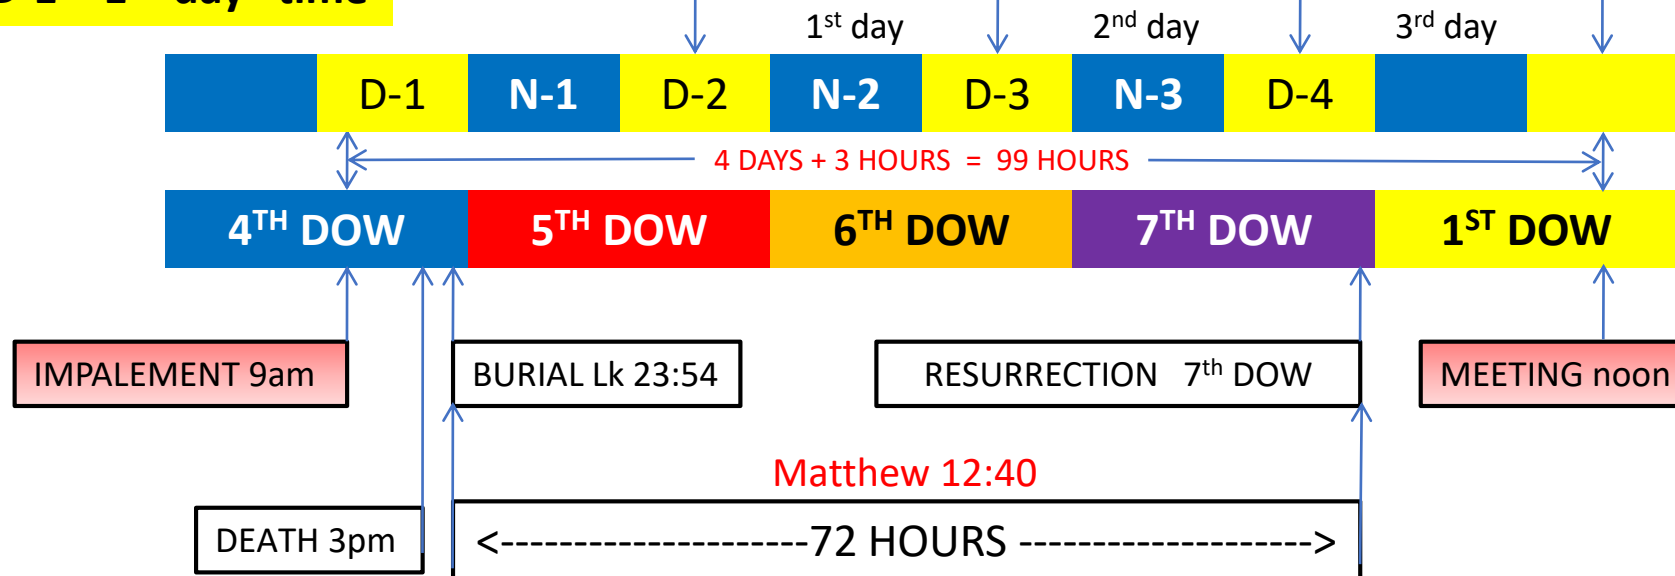

2 disciples were joined by Yahushua about noon the 1st DOW Luke 24:13-29

N-1 = 1st night time

DOW = Day Of Week

D-1 = 1st day time

...today is the 3rd day since... Luke 24:20-21

Here, Luke 24:20-21 **does not agree** with Yahushua's impalement at **9am 4th DOW**
Four (4) day(light)s in the tomb (**4th, 5th, 6th, 7th**) **does not agree** with **Matthew 12:40**.

3 days and 3 nights ? (impalement 5th DOW)

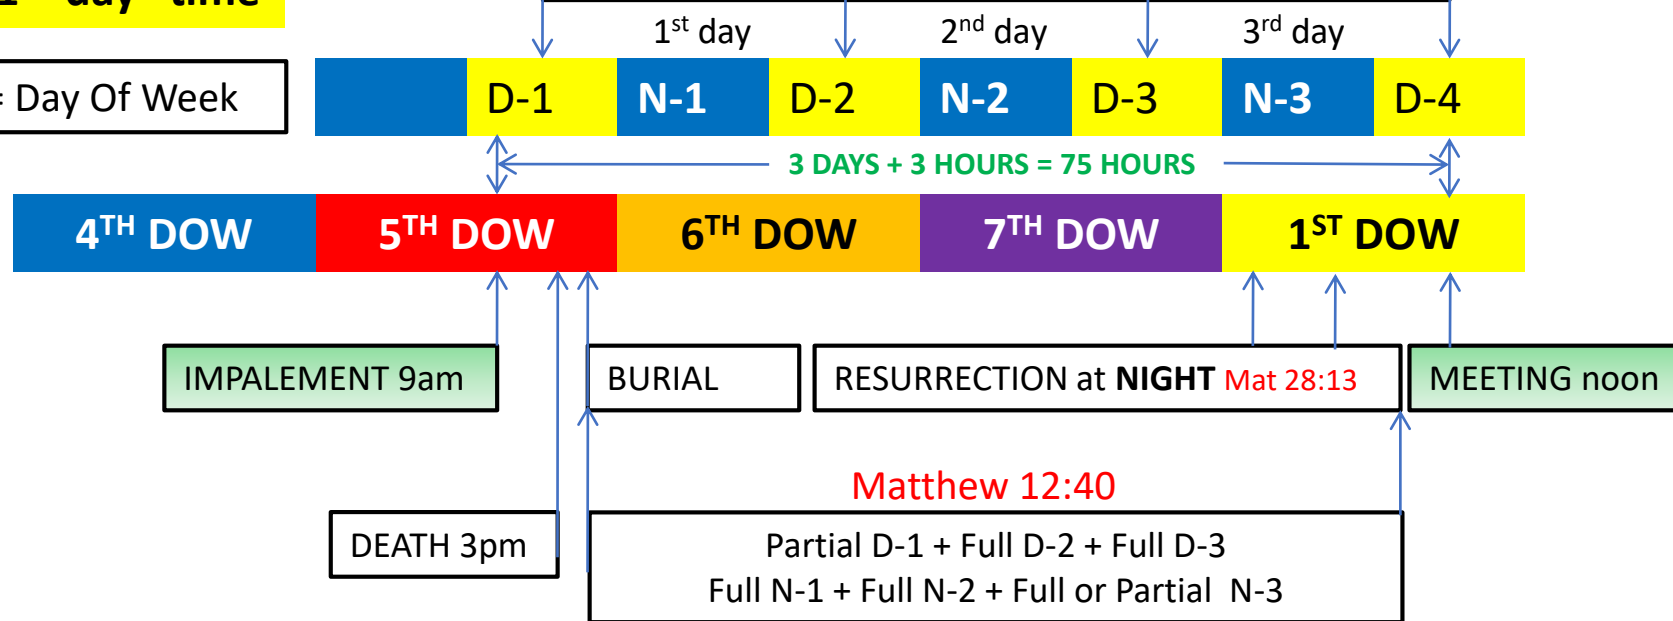

2 disciples were joined by Yahushua about noon the 1st DOW **Luke 24:13-29**

N-1 = 1st night time

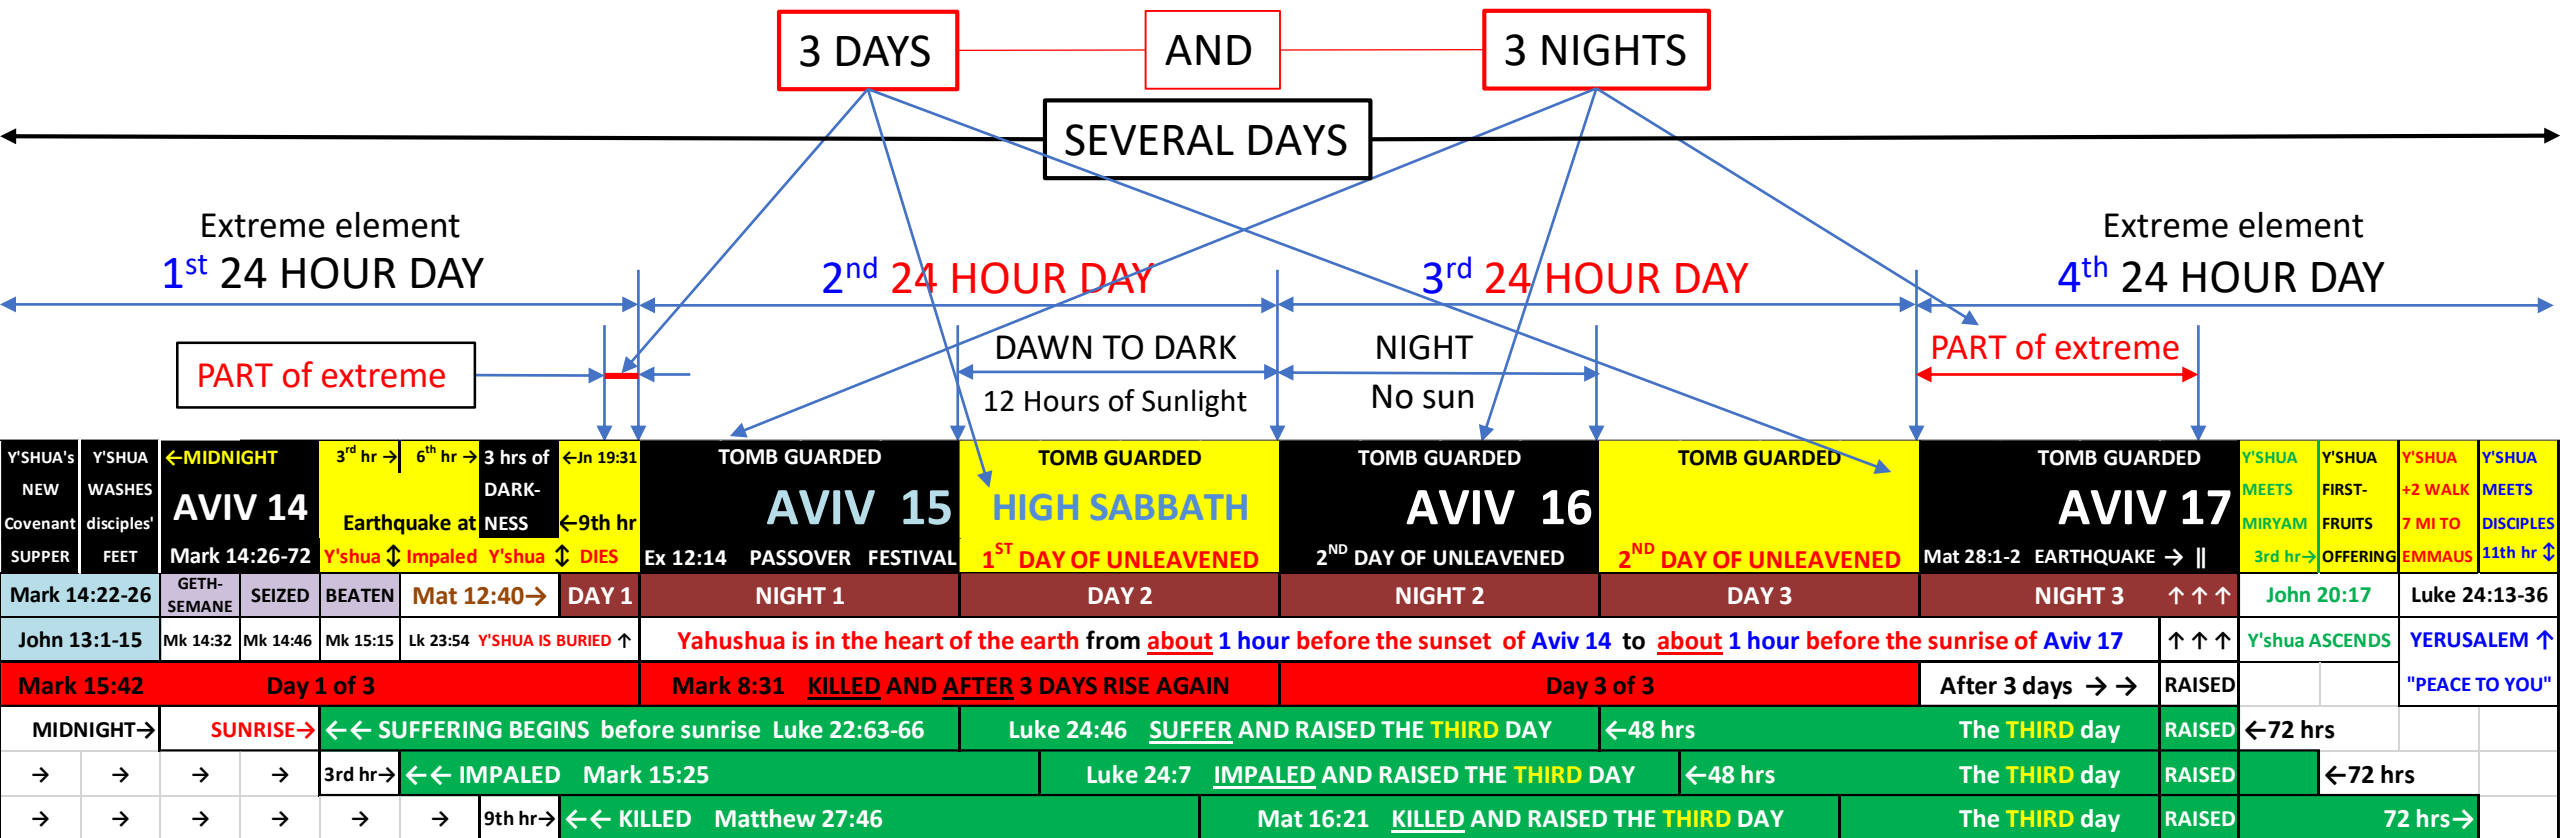

D-1 = 1st day time

DOW = Day Of Week

...today is the 3rd day since... **Luke 24:20-21**

In this scenario, **Luke 24:21** agrees with Yahushua's impalement at **9am 5th DOW**
Matthew 12:40 also agrees, if a partial day and night are acceptable [**Strong's G2250**]

G2250 ἡμέρα hēmera hay-mer'-ah

Strong's Definition:

...day, that is, (literally) the time space between dawn and dark, or the whole 24 hours (but several days were usually reckoned by the Jews (Scriptures) as inclusive of the parts of both extremes); figuratively a period (always defined more or less clearly by the context). See Exo 19:10-16 where 3 days (today, tomorrow & the 3rd day) equal about 45 hours.

AFTER 2 DAYS – After the 13th and the 14th is the 15th.
